

## **CIRCULAR**

To all YPG and YPJ recruiting centres, and the leaders of the military fronts, and the battalions' commanders.

Despite the improvement of the issue of receiving and recruiting those who are under the legal age in the ranks of YPG and YPJ after the agreement with Geneva Call and signing its Deeds of Commitment, still there are some violations to what was agreed on. So, all those mentioned above must not receive or recruit those under the legal age (less than 18 years old). Who does not comply with this circular exposes himself to accountability and legal investigation, and the maximum punishment measures will be taken against him.
