

## **Rhodesia/ Zimbabwe – UANC - 1978**

Source: *International Review of the Red Cross*, n° 204 (1978), p 173

The UANC hereby declares that it has decided to respect the humanitarian rules and principles contained in the Geneva Conventions and their first additional Protocol, as the high ideals contained in international humanitarian law are in full accordance with the philosophy of the UANC. Furthermore, it is the will of the UANC to address to the Swiss government a declaration of intention according to article 96 of the First Protocol as soon as it will be formally possible.

The President of the United African National Council Bishop Muzorewa
